Attorney for Movant
MECHANICS BANK

UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF CALIFORNIA

In Re:

Case No. 11-46231
Chapter 13

DAPHNE LENISE GURUWAYA,

Debtor.

EX-PARTE MOTION TO RESTRICT
PUBLIC ACCESS UNDER
BANKRUPTCY RULE 9037

Pursuant to Federal Rule of Bankruptcy Procedure 9037, MECHANICS BANK
("Movant") hereby files this Ex Parte Motion to Restrict Public Access Under Bankruptcy
Rule 9037 ("Motion") and moves this court to authorize such relief as is appropriate to
restrict public access to the following proof of claim ("Unredacted Proof of Claim"):

Claimant: MECHANICS BANK
Claim No: 4
Amount: \$3,612.92
Date Filed: 7/13/2011
Basis: Money loaned

In support of this Motion, Movant states as follows:

Movant is a creditor of the Debtor. The Unredacted Proof of Claim contains certain
personal information of the Debtor. To correct this inadvertent error, Movant respectfully
requests that this Court authorize and direct the Clerk's office to take such steps as are

1 necessary and appropriate to restrict public access to the Unredacted Proof of Claim.
2 Movant is concurrently filing an amended proof of claim which redacts the personal
3 information.

4 The relief requested herein is authorized under Bankruptcy Rule 9037 as well as
5 under §§ 105 and 107 the Bankruptcy Code. FRBP 9037 grants the court the power, for
6 cause, to "require redaction of additional information" or to "limit or prohibit a nonparty's
7 remote electronic access to a document filed with the court." See also 11 U.S.C. §105(d).
8 (Court "may issue any order, process, or judgment that is necessary or appropriate to carry
9 out the provisions of this title"); §107(b) (Court "may protect an individual" with respect to
10 information, the disclosure of which "would create undue risk of identity theft").

11 Wherefore, Movant respectfully requests that the court grant this Motion and enter
12 the proposed Order, filed concurrently herewith, directing the restriction of certain personal
13 information from the Unredacted Proof of Claim.
